## **PRESIDENT'S MESSAGE**

Howdy Folks,

It is good to see that summer arrived in a big way with some nice warm weather. For once at this time of year gas prices are going down rather than up. We'll take it! Anticipate seeing an update any day now from our webmaster Raymond Ching on how he is coming with our redesigned website. For many prospective members our website is the first contact they have with us. We need to consider our website as our primary marketing tool. Our goal is to update its

appearance along with making it more informative and user friendly. Will keep you posted via yahoo groups as details become available. Thanks to Raymond for making the commitment to do this for us.

This October will be our 15th Anniversary. Any thoughts on how we should celebrate it?

As the first step in planning, Marsha Mekisich has offered to provide our cake this year.

Jim Lent advises we are presently at a 25% conversion rate for our e newsletter. This will represent a cost savings to the club of approximately \$600 by the end of this year. Thank you to everyone that has opted in to this program. If you have not, please take a moment to consider the many advantages we have previously discussed. Be advised you will not lose any newsletter content with the e newsletter.

I would like to reflect back on our clubs first 6 months of 2011. We first need to evaluate where we are at before we can consider our options for moving forward. Member attendance at both meetings and events has continued trending downward. Our lives are in a constant state of change. It has become apparent that many of our members don't have the same amount of time to contribute to our club as they had in years past. As we gracefully age along with our cars we tend to take things a little slower than before which I am sure is another contributing factor.

*We appreciate everyone's participation as their time and schedules allow.*

My agenda upon returning to the helm as your President was to rally the troops and attempt to move

GGG back in time to when we had higher levels of participation, frequent club only events, logo items in house for sale, etc. It is said that you can't go back and so far that looks to be true. Mr. Peabody and the Wayback Machine have not yet arrived at our station. Maybe they will and maybe they won't. I have asked my Magic 8 Ball about this and it keeps telling me to try again.

Our challenge now as we look at the second half of 2011 and beyond is to adjust to our new reality of a lower overall level of member attendance. Over the last several years GGG has transitioned from a club where our primary focus was to have many club only events and supplement our event calendar with events by others to a club where our primary focus is to attend events by others with an occasional club only event. Am sure we all agree this is a significant change in our clubs direction.

Lets all think about how to make the best of this new norm. Feel free to contact me with your thoughts and suggestions at [MITYGTO@aol.com](mailto:MITYGTO@aol.com)

That sums it up for now.....See ya in the fast lane

**Prez John**

# **A Very Special Pontiac Concours Celebration of the 85th Birthday of Jim Wangers & Pontiac**

**June 26, 2011**

Late June finds us in Fallbrook, CA to celebrate with Jim Wangers. His B-day bash was a great success with folks from all over the U.S. and Canada attending.

Club member Bob Pritchard was on the show field with his award winning '67 Pontiac Firebird that was featured last year in Hemmings Motor News. Also on the field was John Whitmore with his Pontiac Solstice. Filling out the field of 85 were some beautiful Pontiacs ranging from old to new. This was a very impressive field to view.

Jeannie and I arrived fairly early and were able to spend some time talking to Jim Wangers before the crowds were more pressing and needing autographs, etc. Jim, gracious as ever, spent time talking about the fun times he had spent with the Golden Gate Goats at our events and others. Jim showed us he is still wearing the Golden Gate Goats watch we presented to him on his 75th Birthday. Both Jim and the watch continue to keep ticking!

Jeannie and I were glad to be there to celebrate Jim's milestone birthday.

Pictures can be viewed at:<http://imageevent.com/jimlent>

Below is a recap from the [geetotiger.com](http://geetotiger.com) website:

## **Jim Wangers, the "Godfather of the GTO" turned 85 years young on June 26, 2011!**

A very special Pontiac Concours event was held at Jim Wangers' home in Fallbrook, CA. The beautiful property with its "grand lawn" was turned into a show field where—you guessed it—85 of the region's most outstanding Pontiacs were on display. Guests enjoyed a catered barbecue and were entertained with period surf tunes performed by The Surf City All-Stars.

**WOW, what a wonderful celebration we had for Jim Wangers on his 85th Birthday! We set out to honor a great man who has dedicated himself to the promotion of all things Pontiac and with more than 400 people on the grounds, Jim Wangers couldn't have had a better day of celebration. All of the folks who attended made the event a spectacular celebration. The atmosphere of celebration permeated all that attended.**

**The line of enthusiasts offering Jim personal best wishes seemed endless. With many still waiting in line it was finally time to break away so that all could sing Happy Birthday! Jim was glowing with appreciation.**

**Nearly overwhelmed, Jim would next present the three special awards of the show. The field was filled with a so many wonderful cars it was quite a challenge for Jim to make his picks. Jim has certainly seen thousands and thousands of cars, but he never tires of the sight of a beautiful Pontiac! Larry & Marsha Allen brought their beautiful '58 Parisienne Convertible all the way from Missouri and they were rewarded with their car being selected as "Best Pontiac" of the show. Then the "Godfather" named Heinrich Gerhardt's '66 GTO as the "Best GTO". This former Car Craft cover cars that was nearly destroyed in an accident a number of years back and this was its first showing since being reconstructed. After a short drum roll it was time for Jim Wangers "Best of Show" pick. The "Best of Show" award went to a spectacular 1961 Tri-Power, 4-speed Ventura owned by Kevin DeWitte; a spectacular example of Pontiac's glory days!**

**The Surf City All-Stars then launched into "GTO" as Jim Wangers himself lead all in the singing of the Pontiac "national anthem". The hills of Fallbrook were alive with the sound of music and the day could not have ended on a higher note! With little doubt, this was the highlight of the day. The cameras were busy and many got Jim's singing on video. This is certain to be a YouTube classic!**
