V- PRESIDENT'S MESSAGE

HAPPY NEW YEAR!

OK, get out your stuff to do in 2005 list. We all have stuff to do, stuff to contend with, stuff we don't want to do but still have to do, stuff we hope will go away

but know it won't, and stuff we do to get money to do the other stuff. Your car club meetings and events **SHOULD NOT BE ON THIS LIST!**

Put the Golden Gate Goats meeting and events dates on your smaller, but much more enjoyable "Things I want to do in 2005" list. We would love to see you at every event and every meeting. Knowing that just isn't possible, we'll simply ask you to make yourself a new year's resolution that you will attend at least one Golden Gate Goat meeting or event before the end of the year. We guarantee you'll be glad you did.

Our first meeting in January will take place on Saturday, January 15th from 11 AM to 2 PM at The Englander Restaurant in San Leandro. See the bulletin in this newsletter for details and a map. At the meeting we will be covering some club business including approval of changes to our Club Rules & Regulations (see details in this newsletter), saying thank you to our club founder, and planning fun events for 2005. See the meeting agenda in this newsletter for details.

Even though it is the first meeting for the New Year, it will actually take place AFTER our first 2005 event. John (you remember him as da Prez) got us off to a roaring start by getting us invited to display 10 of our cars at the annual International Car Show at the Convention Center in downtown San Jose from January 5th through the 9th.

Once the event ball got rolling, we wanted to keep it going, so we've put together a Tentative 2005 Events Calendar with all the proposed events ideas we have

received to date. Take a look at the calendar in this newsletter, and keep in mind it is tentative. That means some dates may change a bit and we still want to add more events to those listed. Also keep in mind that just because you have an idea doesn't mean you have to run the event. So don't be shy, make some notes and don't forget to bring your own calendars to the meeting. The more ideas we get, the more events we will have, and the more fun the entire club will have this year.

Speaking of fun, we have already planned a rain or shine event for February called the "Choc/Sake" tour. If you thought the Beer Belly tour a couple of years ago was fun, wait until you see what we have planned for you on February 5th! Yep, details are in this newsletter. As Jim Lent and Al Harris say, "If pay your dues, you get the news," so don't miss out.

Sure there's lots of stuff to do, but forget about it for awhile and let's go have some fun with the old goats. (Editor's note: Is he talking about me here???)

See you soon.

Russ

Street Stock: (Point of confusion: Street Stock means that the vehicle may not have any of the modifications listed under the definitions of "Modified". A street Stock entry must have dual exhaust, plus either changes to the sheet metal and trim or improved carburation or ignition. Changes which do not effect the vehicles street performance: e.g. electric fuel pump, 12 volt conversion, mag wheels, engine chrome, radial tires will not alone qualify the vehicle for street stock status.)
