## PRESIDENT'S MESSAGE

Howdy Folks,

Looks like our rainy weather this year is all or nothing. It would be nice if we are able to avoid a serious drought. A great deal of work has been done on our event calendar at and after our last meeting. Please refer to our updated event calendar in this newsletter for additional information. Fantastic selection of interesting events are in store for us this year. Thanks to those of you that made suggestions and have stepped up as event coordinators.

Coming up very quickly on **Saturday March 15th** is Jim Wangers presentation at the Blackhawk Museum.

Since Jim is in our backyard for this event and will also be at POC's Central Valley Classic show next month in Madera on 4/26 we decided to attend the Blackhawk event IN LIEU of absorbing the cost for Wangers 2 at Club Auto Sport later this year. Club VP Dave Hartz has arranged a special parking opportunity IN THE PLAZA for GGG club cars. The Sunbeam Tiger club will also have their cars on display at this event. We have been invited to meet up with them at Mc Donald's in P Town (Santa Rita & 580 SE Corner) at 8 am for breakfast. Caravan will leave promptly at 9:15 for the museum. Club cars from both clubs will be staged in the plaza directly in front of the museum. Jim's presentation starts at 10:30 and goes until Noon followed by Q&A, photos, etc. Admission for GGG members will be paid for by the club. This is a fantastic opportunity to show your car and visit with Jim. Let's give Dave Hartz a big Thank You for arranging this. An invitation has been extended to Jim to join GGG for lunch after his presentation if his schedule allows. Stay tuned regarding lunch, have not yet heard back from him. Rain or shine event so come on out!

At last month's meeting it was suggested we consider Saratoga Springs in Saratoga as a potential picnic site for this year's picnic. Jim Lent, Ken Davis and yours truly toured their facility a few days later. Great facility, no doubt about it. Came very close to booking with them. We were looking for something catered so we all had the opportunity to maximize our visiting time. The ever proactive Jim Lent had an alternate suggestion in his back pocket which came into play as we continued to evaluate. Jim knew of Back 40 Texas BBQ that does catering. Short of the

long we will have them cater our lunch at Tilden Park on **Saturday July 19th**. Same picnic area as previous years. We visited Back 40's Pleasant Hill facility to sample the food prior to deciding to go with them. Tough assignment but it just had to be done! Food is outstanding plus they have a meeting room that will be the perfect site for our Christmas party this year. Have had a long run of Christmas Party's at The Englander and we felt it was time to find a new venue, am sure you will all agree? We will expand on the details on how these two events came together at this month's meeting. Doing that will keep me from being way too long winded plus will allow Jim and Ken the opportunity to share their thoughts with you, especially the details of what will be a pretty amazing lunch. Let's make this year's picnic our best attended yet, mark your calendar now..... PLENTY of club car parking right in front of our picnic site.

Speaking of our next meeting it is coming up on Thursday March 6th at The Englander. 6:30 meet and greet with the meeting starting promptly at 7:30. I owe Tom Schaffer an apology. He had been working on a Delta Cruise with a lunch stop at the Ryde Hotel. Discussing this was in my notes, I totally forgot Tom. Sorry about that. Let's re-visit at our March meeting. Other topics will be any available updates on upcoming events and as always, any club business the membership wants to discuss.

Until 3/6, see ya in the fast lane!

## **GOLDEN GATE GOATS CAR OF THE MONTH**

### **My 1969 Judge by Jeff Allee**

I haven't been to a meeting in a while as I have been working grave yard shift the past couple years, making it almost impossible. This will not last forever though as the hope of retirement is starting to shine bright at the end of the tunnel! I am interested in attending the Benicia Show and will be asking for the time off next week in order to do that.

Now for everyone's consideration, I wish to submit my car for entry as the car of the month, as I have performed a lot of upgrades in the past couple years.

First off, I have a 1969 Judge. I have owned it since June of 1985. I purchased it from the Pomona Auto Swap Meet held at the LA County Fair Grounds, while in the Air Force and stationed down in southern California. In that time I have used it as a daily driver and first started putting it in shows in 1989. Since that time, I have performed a lot of restoration upgrades, some more than once. In 1998, I had the engine rebuilt, it has the original 400 cu in Ram III. I had a slightly upgraded camshaft installed in it at the time, Competition Hydraulic Tappet Cam providing 475 lift at 275 duration at 110TDC. This was about the only significant deviation from rebuilding the engine from stock specs.

I recently had the seats and carpets replaced two years ago, and last year I had the body completely stripped down, repaired where necessary, and repainted. I then had all the molding strips straightened and re polished.

I like to take the car to local cruise nights in town and take it to shows. It is my hope when I retire and have more time, to take it to more shows.

Hope this contact at the same time finds everyone doing well and if I don't see anyone until the Benicia Show, I will definitely be there barring any unforeseen emergencies.

Jeff
