## **PRESIDENT'S MESSAGE**

Greetings Everyone,  
2014 is rolling right along as I write this message to you for May. Depending on when this newsletter goes out the Benicia Show may have already taken place. Hope those of you that attended had a great time, thanks again to Stuart Cole for being our host. Our LAST club meeting before summer break is on Thursday May 1st at The Englander. Meet/greet/eat at 6:30 with our meeting starting promptly at

7:30. At our April meeting there was sufficient interest to move forward with Tom Shaffer's Delta Cruise later this year with lunch at the Ryde hotel. Historic location, check out their website. Tom will be providing additional information and a date, quite likely in October. Also this October Golden Gate Goats will celebrate our 18th Anniversary!

Topics for our upcoming May 1st meeting will be future events including our upcoming July 19th picnic in Tilden Park. There were no takers at last month's meeting to put together a cruise route to our picnic site, if anyone would like to take that on please let me know. As always, if members have suggestions, complaints or feedback on club related business you will have the opportunity to be heard.

Saturday May 10th has us once again attending the Moraga Car Show. On SUNDAY 6/14 we have been invited to attend Nor Cal Chevelles Run through the Canyon. We close out June on SUNDAY 6/22 in Pinole at the Pinole Car Show. Please see our newsletter for information on these shows.

Regarding Peggy Sue's in Santa Rosa 6/13 - 6/15 and the Hillsborough Concours, Sunday 6/20, we did have members owning the year/condition of car requested interested in

attending those shows. Selection processes is now taking place, have not yet heard if the cars have been accepted. Will keep you posted as details become available.....

See ya in the fast lane;

Prez John

## **WANTED:**

**1965 GTO 4 SPEED COUPE** - I'm interested in purchasing a 1965 GTO 4 Speed Coupe for my own personal use (not looking to buy and flip). I'll consider vehicles in any condition (ranging from a project car to a car that's already done). Thank you,

## **FOR SALE:**

### **1967 GTO Convertible**

I have decided to sell my 1967 GTO Convertible. I bought this car in the late 70's and have been investing in it ever since. The car has gone thru a 100% complete bare metal restoration (top to bottom) and is, I believe THE finest 67 convertible you will ever find. I have attached the specs for the restoration done at the speed shop who completely re-did the engine.

Pictures of the car can be found at :

<http://www.flickr.com/photos/118907778@N03/with/12820424204/>

The paint job alone cost ~\$7k, \$45K in the engine and suspension, \$12k for a NEW Tremec 5 speed manual tranny (2k miles on it), \$13k in a new, 100% pristine interior with custom 1000 watt alpine sound system, built in woofer, custom fully lined trunk, disk brakes all around, new convertible top, posi, and the list goes on and on. Best of Show winner at several car shows I entered it in.. All in all, I have invested ~\$110k in this car.

The car is painted a 60's Ferrarri Sky Blue with a navy convertible top and dark blue interior. Dash and center console are perfect and inlaid with real walnut (not vinyl). Everything works and the car runs like the wind. SOLID. This car has a custom built fuel injection system done by Goodies Speed Shop in San Jose, has custom ground hydraulic roller cams, Edelbrock Ram Air aluminum heads, large aluminum radiator (never over heats), MSD electronic ignition system, flowmaster exhaust, etc. (see spec sheet in the Flickr site). Always garaged and covered. Truly one of a kind, beautiful car.

Again, invested well over \$110k.....asking ~ \$69k. Comes with custom fit car cover.

## GOLDEN GATE GOATS CAR OF THE MONTH

### JOE "THE KID" NOVINSKI'S 1966 GTO CONVERTIBLE

1966 Pontiac (Tempest Classic) GTO Clone Convertible----Munci 4 speed close ratio--  
--10 bolt posi rear end w/ 355 gears---Hotchkis suspension all around----461 Pontiac  
Stroker Motor from Proformance Unlimited rated at 550 Horsepower---new carpet and  
soon to be --new interior w/ top..

When I was a kid (that's when dirt was new) I always wanted a GTO. I couldn't afford it then so I waited got married in 1968 and began having a family. I couldn't afford it then either. I went through my middle age thing and completely forgot about it. I got Divorced and remembered that I still didn't have a GTO., soooooo I bought a new 2006 GTO 6 speed w/ a LS2 motor and quickly put a blower on top. Now I have a GTO but wait. Someone called me a "KID" said the 06 wasn't a real "GOAT" it was just a "KID". So I bought a 1966 GTO convertible that you certainly could call a "GOAT". Now I'm being called an old Goat?? Go Figure! So now that I've spent the kids

inheritance I'm happy and my Goat sits in the garage . WHY?? Because I can't afford to put gas in the darn thing every 50 miles!!! LOL

All honesty, I'm happy to own a GTO clone and I'm happy to be in a group of people who really do care about each others needs when it comes to helping out with advice. All of the events I've gone to with my new friends have been exciting and rewarding, I wouldn't change a thing for all the money in the world. I'm living my dream.

Thank you,

**Joe "The Kid" Novinski**
