## PRESIDENT'S MESSAGE

Greetings Everyone,

Last month's meeting was quite lively with several members in attendance that we hadn't seen for a while, and that is always a good thing. Nice way to start off the New Year. Have a couple of dates that we can now plug in to our 2015 Event Calendar. Devils Slide II will be taking place on Saturday April 18th and our Fall Wine Cruise hosted by Judy and Leroy Anderson

is on Saturday October 17th. Now is of course the best time to plug these two dates into your personal calendars.

Am working on the details for Devils Slide now and can share a few details to whet your appetites so to speak, more to come as everything falls into place so stay tuned. Planning to meet in San Mateo at 9:30 AM at the very same spot where we formed GGG way back on October 5th, 1996. Leaving approximately 9:45 heading West on Hwy 92 to Half Moon Bay then North on Hwy 1 stopping for breakfast/lunch or brunch at Flavor Restaurant located in the Princeton-By-The-Sea Harbor. You can check them out at [www.flavoronthecoast.com](http://www.flavoronthecoast.com) Marsha and I had brunch there on Valentine's Day and the food was outstanding. Will request patio seating; weather permitting. Plenty of parking available at that time of day. From there we head North once again on Hwy 1 going through the Devils Slide tunnel continuing through Pacifica and up into San Francisco. We will cruise through the Presidio with Lands End and Fort Point being possible stops along the way. Our ending point will be the Beach Chalet on Ocean Beach (2:30 approximate) where we can have a snack and/or adult beverage if you like or you can

head home. Beach Chalet will likely be crowded and seating/parking will be whatever is available. We decided to have this event earlier in the year as there will be less congestion; however as we all know these places are all very popular so please plan accordingly. NorCal Chevelles will be joining us making for an interesting mix of vehicles. RAIN OR SHINE EVENT, all vehicles welcome. RSVP required by 4/11 to [mitygto@aol.com](mailto:mitygto@aol.com)

Our next meeting is coming up on Thursday March 5th, once again at The Englander in San Leandro. 6:30 for meet/greet/eat with the meeting starting promptly at 7:30. Topics to include upcoming events plus anything GGG you would like to discuss. Hope to see you there!

Until then, see ya in the fast lane!

**Prez John**

### Show Classes

To ensure that trophies for this show are awarded in the fairest way possible, Independent judges (not from the host club) are assigned to review and score entries in each class. Please review the classes shown below and select the best one for your car. Contact Sam Fisher (contact information on Page 3) if you have any questions about your car and how it may fit into a class)

### Stock Classes

Vehicle may not have any modifications listed under the definition of the Modified Classes. Vehicle should have a stock appearance. No more than 3 of the following changes will be allowed in the stock class: Non-stock appearing intake/carburetor, exhaust manifolds, headers, wheels/tires (within appropriate size range and style to be age appropriate and to be consistent with a stock appearance\*), ignition, radiator, AC compressor, auxiliary gauges, battery cables and other items considered as minor. If more than three changes are detected during judging, the score for the vehicle may be adjusted. In addition to these items, paint will not have to necessarily match an OEM color but should be done in a manner that does not distract from the stock appearance. If two or more vehicles are considered tied during judging, the most stock appearing vehicle will prevail. Vehicles entered in Class Q (Unrestored/Survivor) may not have more than one exterior panel re-painted; one seat cushion replaced, minor engine work, etc.
