PRESIDENT'S MESSAGE

Greetings GGG,

Congrats to Joan Serafino for picking a perfect weather day earlier this month between two big storms for our Oakland Air Museum Tour, you go girl! Hopefully none of us had any weather related issues during one of the wettest January's on record. After

several drought years I suspect many of us have forgotten what a "wet" year is like? That group would include me as I spent many days staring out the window at rain coming down so hard it looked like someone had turned on a garden hose, especially during some of the many thunderstorms that came to visit as I listened to Creedence Clearwater Revival singing "Who'll Stop the Rain" Then of course with the big storms comes the heavy winds meaning I have to remove the car cover from the GTO leaving it totally exposed to the elements, the car is holding its own so far.....Let's talk a bit about GGG's 2017 meeting schedule. Our first meeting of the year is on Thursday February 2nd at The Englander. 6:30 meet, greet & eat with a 7:30 meeting start time. Hopefully whoever is in charge of the weather will give us a break and we will have a good turnout. Primary meeting topic will be discussing event ideas for this year so put on your thinking caps.

March 3rd meeting remains at the Englander moving to a Friday LUNCH date with an 11:30 start time, trying something new here in an overall attempt to reduce our number of Thursday night meetings. Continuing with that trend our April meeting will be combined

with an event held on the Peninsula hosted by yours truly on Saturday April 15th. Details TBD, event will be rain or shine so you can mark your calendars now. This date stays clear of the always popular Benicia Car Show hosted once again by Stuart Cole on Sunday April 30th and will also give any of you still working on your taxes a chance to take a break!

Once again I urge those of you that have never hosted an event to consider doing so this year. Please take a moment to check out our event calendar in this newsletter for potential dates. As you know our group is a pretty flexible bunch, perhaps some of you have ideas taking us somewhere we haven't been before? This covers it for now so.....

See ya in the fast lane!

Prez John
