PRESIDENT'S MESSAGE

Howdy GGG,

Happy Fall everyone..... Drum roll please;

After an 18 month hiatus due to Covid we will be returning to in person meetings on Thursday October 7th at Back 40 with an 11:30 start time. Already thinking of you enjoying some killer barbecue, will be unable to attend due to back surgery on Tuesday 10/5. Chose surgery over another cortisone shot after

reluctantly accepting the fact that a shot would only temporarily treat the symptoms and not the cause. Have never had any type of surgery so this is all uncharted waters for me but understand back surgery was really my only option. October for me will be a month for recovery, hope to see everyone again in November fingers crossed.

Join Jim Lent at Back 40 this coming Thursday as GGG returns to in person meetings and do have a great time. Details for our Xmas Party and dues collection procedures for next year will be discussed in next month's newsletter so keep an eye out for that. 2022 should have us returning to a more normal calendar year of events meaning now would be a great time to discuss any future event ideas you may have.

That's all I have for now;

See ya in the fast lane.

Prez John

HI FOLKS,

October finds us at the 25th anniversary of our first club meeting (Oct. 5, 1996)

We are now going to have our first in-person club meeting of 2021. We will be meeting at Back 40 BBQ Restaurant in Pleasant Hill at 11:30AM

Please note the following local requirements from Back 40

“You are receiving this email because you have either booked or have tentatively reserved our private banquet venue. I am reaching out to let you know that effective September 22, 2021, Contra Costa County has mandated that all restaurants check for proof of Covid-19 vaccination or a negative test result within 3 days of entering our facility. Although this is not our preferred method of doing business, in order to remain in business, we will follow and comply with the County mandate. Please inform all of your guests of this new mandate as they will need to show proof to enter our facility.

Please know that we DO want your business. However, if you or any of your guests disagree with this mandate, we do ask for your understanding, as we are only doing what is required, to remain in business. Thank you for your understanding and cooperation in this matter.”

Club T-shirts - I have the shirts that were ordered for delivery at a club event and will bring them if you let me know you are attending.

Back Forty has asked for a tentative count for our meeting so please reply to let me know you will be attending, by Monday, October 4, if you will attend.

**Thanks,
Jim Lent**

GOLDEN GATE GOATS CAR OF THE MONTH

NORMAN & SHERRY PRICKETT'S 1965 GTO

My GTO story starts in March 1965. I returned home from the Army and as soon as I looked at the '65 GTO convertible I was hooked. Six weeks later I took delivery of a Teal Turquoise convertible with the following options: 4-speed, 4-barrel, positrac with the ride and handling kit. I raced this car at Fremont for a couple of years turning in the high 13's. I sold this GTO in 1973 and was forever sorry. In 1989 a friend called me and said there is a red GTO in Sacramento. So we drove to see this car. It looked nice and I was once again in love with a GTO. I purchased the car and after driving it a while joined the GTO and Pontiac club. I wrote PHS to have the car documented. When I received the papers and checked out the car I found a 326 instead of a 389. The original car was a Tri-power, 4-speed with Air. A very rare option in a convertible. Ed at the Goat Farm sold me a 389 block and I bored it 60 over and had it balanced. I then installed a 200R4 and 272 gears in the back. Then new paint, new top, complete front end rebuild, exhaust and new wiring for the air conditioning. I wanted a driver. This GTO has been to Texas, Canada, Wyoming and Montana and travels to Reno for Hot August Nights every other year for more than 20 years. My 40 Ford is the driver in the off years. I have more than 50,000 miles on the car and look forward to many more. It is a great highway car and the overdrive, tall gears and an Edelbrock 600cfm 4barrel.
