PRESIDENT'S MESSAGE

Happy New Year GGG,

Hopefully everyone found ways to celebrate a second Covid compliant holiday season. As we welcome in a new year 2022 greets us with a continuing pandemic marking its third year. We will soon know if holiday season travel and activities results in a surge of the new Omicron variant. Can't imagine any future lockdowns like there were pre vaccines but suspect the pandemic will continue to cause some minor disruptions. Good news we are in a much better place than one year ago and that direction should continue.

Personally don't think Covid will be totally eradicated but will become another illness we deal with on a continual basis like the flu as it transitions from pandemic to endemic. Just read a Covid medication in pill form will be available soon giving us another tool.

Thanks to those of you that have paid your 2022 dues. For those of you that haven't paid yet, please follow the instructions in this month's newsletter. Thanks in advance for taking care of paying your dues promptly. If you paid and make Jim's unpaid list I erred so please contact me.

GGG's Kick-Off meeting for 2022 via ZOOM @ 7PM will be on Thursday February 10th. Let's start working on our 2022 event calendar at this meeting so please put on your thinking caps perhaps for an event that can be held rain or shine early in the year? We might be able to join NorCal Chevelles for one of their early 2022 events once their schedule is announced. As one possible option we can look into group discount tickets for the Disney museum in the SF Presidio although as of this writing have seen on the local news there have been snatch & grab car break-ins in that area so we certainly need to be aware of that. Another possibility

is a get together at the Pacific Pinball Museum in Alameda.

Next month's Presidents message/newsletter will go out after our Feb 10 Kickoff meeting so we can keep everyone up to date on our schedule, etc. See no reason (unless Covid rears its ugly head) why we can't return to live noon time meetings starting March. Waaaay back pre Covid we were in the midst of finding a new meeting location as a result of the Englander closing. I recall Harry's Hofbrau San Leandro was one choice.. Would be interested in exploring any other suggestions you may have giving us another topic to discuss at our February meeting. Given noon time meetings are really the only option for in person meetings due to traffic nightmares we do have the option of having a Zoom meeting for those of you unable to make in person meetings. Those of you that would be interested in that option let me know. We renewed Zoom making it an option for 2022.

Stay safe, take care and see you at our Feb 10th meeting.

Until then; see ya in the fast lane;

Prez John
