PRESIDENT'S MESSAGE

Howdy Folks,

For the 49er Faithfull all I can say is Jimmy G...REALLY?

Please join us at our upcoming 2022 Kick-Off ZOOM meeting on Thursday February 10th at 7pm. We can discuss our event schedule going forward and anything else you choose. Dues collection coming along nicely, please see Jim's updated list in this newsletter. Better times ahead

Nothing has really changed since last month regarding club business and/or activities so not anything in the way of updates giving us the opportunity to take a ride on the not so

waaay back machine set to 24 monthsFebruary 2020 to be exact.

Seems like a great time for some light reading from "normal times" so included the text below for your reading enjoyment.

Till our Feb 10 meeting, see ya in the fast lane;

Prez John

FROM 2 YEARS AGO PRE PANDEMIC;

Hey There GGG,

Here we are a month into a new decade already. 49ers had a great season and will play in the Super Bowl. Can our wicked defense shut down Patrick Mahomes and Kansas City's "Air Raid" offense? By the time you read this we just might know..... Hope to see a great game.

Regarding GGG visiting the Disney Museum.... Marsha and I just visited to reacquaint ourselves as we hadn't been there in several years. Great experience overall, lots to see with many interactive displays. Cost \$60 for two senior combo tickets to include the main museum and the special event display held in a separate building. Metered parking was \$11 additional for the day. We chose to eat something at home before we left. Arriving at 11 am we toured the special exhibit first then on to the main museum. It was very crowded and

noisy in the main exhibit area with a couple guided group tours (available for \$100) going on. We finished at 3:30 and had a great visit. Coming in May they will have a new special exhibit about Disney during WWII. Confident beyond a reasonable doubt that many of us would find that exhibit fascinating. Would consider the Disney Museum a must see, doable for a club event if we have the right expectations. Nor Cal visited last year if memory serves me well; let's ask them how it went for them. Can discuss at this coming Thursday's meeting. Fall visit after peak tourist season probably is the best choice as the WWII exhibit runs into 2021 and crowds should be smaller.

Potential big news for our July Tilden Park picnic that would even trump Back Forty BBQ IMHO is the exciting news that member Jim Sloane has offered to debut his 66 GTO currently being restored by member and professional car builder Josiah Coy at the event.. Now THAT would certainly be exciting, wouldn't you agree? But wait there could be more as Josiah is also restoring member John Whitmore's 67 GTO. John's GTO was displayed by Josiah at SEMA last fall, how cool was that? Perhaps if the planets all line up allowing Josiah to complete both builds by our picnic date we could have a DOUBLE REVEAL so to speak. Both cars with their owners and builder all there to discuss the details, their motivations, etc.what would be cooler than that? Just the possibility has me stoked. If I was Jim or John the anticipation would be Gargantuan.....Gigantic... or insert your choice of words here..... Yikes, am I losing it?

Our next meeting will be on Thursday February 6th at The Englander with an 11:30 start time. In the meantime please do review our event calendar noticing open dates and kindly consider hosting an event this year, perhaps something we have not done before? Till then.....

See ya in the fast lane and Go Niners!

Prez John
