## **PRESIDENT'S MESSAGE**

Greetings GGG,

Well, the weather forecast for the Labor Day Holiday weekend sure looks toasty. Had me remembering the years we had record heat at Vasona Park and for our Tilden Park picnic, like 102. That number though seems like nothing compared to the inland forecast highs.

And here come some of the changes I mentioned last month:

For 2023 yearly dues have decided to go with a mild increase to \$40 annually. Soft hit, we will probably need to re-evaluate yearly going forward. Bank balance is currently \$1150.

Jim has been working with Back 40 regarding our December 10th Christmas event. Ideally we will have 35 plus people attend to maintain the same 4 hour long event, table set-up, food set-up, etc. If we go **BELOW 35** guests the table set-up goes to **inline family style**, and we only have the room for 3 hours instead of 4. That will change the dynamic of the event in a major way plus pricing doesn't really change all that much. So please mark your calendars and plan to attend. As I have alluded to in the past we now need to go with a co-payment, this will need to be \$20 per person non-refundable paid in advance. Food costs have increased plus Back 40 no longer offers the 20% off gift cards that were our lifeline for many years thanks to Jim Lent. They also had a recent change in ownership and made some "adjustments" to include discontinuing the discounted gift cards. Hopefully we will be above 35 in attendance, please join in the fun if you possibly can. We will begin collecting Christmas co-pays along with RSVP's next month with dues collection beginning in November.

Thanks in advance for your understanding and cooperation.

Our next meeting is **TUESDAY** Sept 13<sup>th</sup> at Back 40 with a start time of 11:30. Let's plan on discussing ways/ ideas/suggestions for moving GGG forward as our lives and this world changes around us. I will be handing off our club banner to Plum Crazy Dave who has offered to set it up and talk up our club to interested folks at car shows just like we used to do. Like the Model T, A and Street Rod clubs increasing age of our members will change the club dynamic and reduce our numbers unless we find ways to increase membership. Someday there may be a version of GGG with some vintage cars plus a mix of restomods and electric conversions and a lot of new members. My self personally at age 68 have at last begun to make peace with change. Won't say I like it but have progressed to tolerating it realizing change is going to happen whether I like it or not. To a control freak like me realizing that the reality is you have no control over most anything definitely moves you out of your comfort zone.

Till our 9/13 meeting. Happy Labor Day & See ya in the fast lane;

**Prez John**
