## **PRESIDENT'S MESSAGE**

Greetings GGG,

Howdy GGG,

Looks likely we will at least put a dent in our current drought given our rain/snow totals so far this year. Don't think I recall a recent year though with so many wind events, seems there are wind advisory's up every time it rains. That for me is a pain as we have three cars outside with covers on them and it makes more sense to be proactive then have the wind damage them or turn them into hang gliders ending up who

knows where? Even using gust guards which are clips and bungee cords they can come loose. Dealing with wet car covers is really a pain and they will rip apart at the stitching or just tear. Small price to pay though, am grateful to have the cars along with a darling wife that supports my hobby.

Dues payments are rolling in resulting in our current club account balance of \$1650 prox. That being said;

Mark your calendars for Tilden 2023 happening on Saturday July 29<sup>th</sup> at which time we will celebrate Golden Gate Goats 27<sup>th</sup> year. We will continue our tradition with Back 40 catering our lunch again this year. Their prices have increased with some menu adjustments; the club will subsidize the cost although a co-pay **will** be required for each attendee. Details to follow, Jim Lent and I need to do some number crunching, thanks in advance for being flexible. Always a great time, this year will add a club meeting to our program giving everyone a chance to "Talk Shop" while having us all on the same page.

Looking way forward to Xmas, in order for us to return to Back 40 each member would need to cover the entire cost PER PERSON at \$65 each estimated PLUS a

lcohol. At this point in time we have no plans to return UNLESS my inbox totally explodes with 40+ people waving \$ wanting to carry on the tradition under the above conditions. GGG is your club so where this goes is in your hands. If member support is there Marsha and I would be more than happy to join you, Toys for Tots gift in hand. **Did your Prez just throw down a challenge?**

Thoroughly enjoyed chatting with everyone attending our Zoom meeting last week kicking off 2023. Meeting had a totally positive vibe, thanks for that. We all decided to begin having "tech talks" during our meetings. This idea came from some of our previous discussions on ways to improve our membership experience. Thanks to all of you that made suggestions, we appreciate your input and participation. Tech talk number one will be at our Thursday March 23<sup>rd</sup> meeting at Back 40 starting at 11:30. This one will be on the pros and cons of installing aftermarket fuel injection. Dave Svoboda will get the conversation started as he has installed FI on his 65, then we can all chime in so bring any questions/input you may have. Open to suggestions for future topics and if you can "emcee" the talk beginning the conversation that would be a plus. Several of us know the technical side of these cars pretty well so we will have your back. Laid back and impromptu program to start, we'll learn as we go and evaluate after a couple of months. Sound good to you? Please note for the remainder of 2023 we will have a meeting each month, some Zoom on varying weekdays and some at Back 40 always Thursdays. More frequent meetings on a greater number of weekdays will give us the opportunity to better stay in touch plus allow more members to attend, see our 2023 Event Calendar in this newsletter for specifics. Increased member participation is the goal here.

At days end, the future path to growing our club membership will be similar to when we started GGG back in 1996 adjusting for the many changes since then. Gone is the local GTOAA membership roster to prospect from and our club having 80 (yes 80) cars in attendance at the Good Guys Summer Show parked around the museum as their host club. In 2023 our primary option is having feet on the street at shows

talking with fellow owners introducing our club and asking them to join. Dave Svoboda (aka Plum Crazy Dave) is the current keeper of our club banner and will be bringing it to shows along with club applications and business cards. To make everyone aware of what shows are happening, Dave will provide a list of shows to Jim Lent to post in the newsletter updated throughout the year. In addition Joanie Butler provided us with NorCal Chevelles 2023 event schedule that includes many shows open to the public which will also be posted in the newsletter. Combine those two lists and there are many show options each month. Hopefully as I think The Three Stooges used to say, inch by inch, foot by foot, yard by yard we can work towards adding new members..... just like we did from Day One. Do you believe that history repeats itself? We built our club then and we can increase membership now by keeping our expectations anchored in reality and in line with the current state of the muscle car hobby as it applies to "niche" clubs such as ours and playing the cards that we hold. Are you excited?

Till our 3/23 meeting at Back 40, see ya in the fast lane.

## Prez John

# **BENICIA CAR SHOW MEETING INFORMATION**

## **Sunday – APRIL 23<sup>RD</sup>, 2023**

Howdy Folks, Its time for the Benicia Car Show again! This is your chance to get new bugs on your windshield coming out to a fun little show in Benicia! The show is held on the waterfront of downtown Benicia with our parking spot on a peninsula surrounded by the bay. Due to this location it can be brisk so you might want to dress in layers because the afternoons are usually in the 70's and the mornings are a little less..

### **THERE WILL BE NO BBQ THIS YEAR!**

We can make it a non event, and I will still show up and lead anyone who wants from Starbucks at 7:15 am. We can park in a clump, or wing it. I am also not in the mood to get up earlier for a parking place. They will either accommodate us or not. We can make it a voluntary potluck, and just hang out. There is food around people can buy if they choose. I will bring a bunch of deli sandwiches just to make sure no one starves. Nice and casual, like the other club events. Continue to leave my name and number for info, and we'll go from there.

Does that sound reasonable? Let me know- Thanks, Stuart

Nor Cal Chevelles will be joining us at Benicia again this year.

Please come out and support the Benicia High School band and spend a nice spring day with your fellow goat members. If you are a last minute sort of person we have always found room to get you in to the show.

We are Meeting on **SUNDAY** the 23RD at **6:45 am** at Starbucks and will leave for the show at **7:15** in an impressive display of Pontiac horsepower.

To get to the Starbucks in Benicia from the south on highway 680 you should follow 680 north to highway 780 at the Benicia bridge. Take 780 north to the Southampton exit. At the bottom of the exit turn right and take the next left into the shopping center. find a place to park, Starbucks is on the left.

From the south or the north on highway 80 take highway 780 south to the Southampton exit. At the bottom of the exit take a left turn under the freeway. Take a left turn at the 2nd stop sign into the shopping center. Find a place to park, Starbucks is on the left.

If you have any questions or need directions call me at home 707-745-2918 or on my cell phone at 707-486-3660.
