PRESIDENT'S MESSAGE

Happy Spring GGG,

As we all have noticed, our weather since the first day of Spring has been anything but Spring like! Really glad our meeting day dawned sunny and clear. Had we had the previous days weather with the hailstorms and traffic mess would have erred on the safe side and rescheduled the meeting. The noontime hailstorm that rolled through caught Marsha and I out shopping. We were driving in town so way less of an issue than being on a bridge or the freeway. Upon arriving at our next stop we sat in the truck for about 15 minutes as the rain just dumped. I saw later in the day on the

National Weather Service website we received .44 inches in about 75 minutes, torrential by Bay Area standards. Members came yesterday from 5 counties making for many miles traveled. Condition of our roads is quite poor, no question we have the highest number of potholes ever and no doubt will take years to repair them. Hopefully nobody had any wind related issues as of late. How many "bomb cyclones" can we have in one season?

This meeting was our rollout for starting our new tech talk series with this month's topic being aftermarket fuel injection. Dave Svoboda who has it installed on his 65 offered to lead our discussion. To enhance our experience Dave invited a guest speaker Brent who works for the supplier he sourced his Holley Sniper Efi unit from. Using the actual parts and a wiring diagram Brent gave us a 15 minute informal presentation on the ins and outs of installation and the benefits involved. Very informative followed by a Q&A session. Dave also shared his experiences with the group. If you are looking for easier starting and more efficient operation aftermarket fuel injection might be a good match for you. Parts and installation costs will vary depending upon how you choose to set it up. Fuel injection runs at higher fuel pressures than a carb so a completely redesigned fuel system including an electric fuel pump and return line is required. Unit

programs using the included in car display, Brent added that the technically oriented experienced hands on owner with access to the proper tools, space and equipment could handle the install but most owners opt for professional installation. Thank you, Dave, for facilitating this for us. The bar for future talks has been set..... I welcome subjects for future meetings along with member involvement in their presentation.

Upcoming events include Benicia Car Show on SUNDAY April 23rd. Always well attended there are some changes this year, please see Event Coordinator Stuart Cole's write up in the newsletter that will answer any and all questions. Right on the heels of the Benicia show is the Moraga Car Show the following Saturday April 29th. Looks like a great two-fer..... Our April Zoom club meeting on WEDNESDAY the 19th is just before both shows and will present a great opportunity for group discussion.

Let's fast forward a bit and discuss our Back 40 food options for both Tilden and Xmas, BOTH EVENTS NEED YOUR INPUT. Tilden is first up first on Saturday July 29th so will start there. New owners, pricing and policies especially for room rentals. The short version is that our number of attendees will determine what we get and our per person co-pay. Unlimited as is our normal requires 50 attendees. Allow me to back burner the co-pay discussion and ask for **RSVP's NOW**. If we don't hit 50 unlimited will not be available to us. Set-up catering is basically the same menu just not all you can eat for 20 people and up. Great BBQ

either way..... **Back 40 at Tilden will be a go.**

On to Xmas, please note we have not booked the facility, so date is TBD based on Back 40 availability. As I mentioned last month it will be \$65 PER PERSON out of pocket prepay after a club contribution of \$15 per person when/if we book the room. Full disclosure, cost BEFORE club contribution is \$79.36 all in. Charges include food \$1170, room rental of \$400, bartender \$250, gratuity \$364, and tax \$197 totaling \$2381 divided by 30.

At last Thursday's meeting a few members confirmed they are ok at \$65 per. So, if you would like to go **RSVP to me asap** and we will see if we can hit the required attendance target of 30. Marsha and I will join you. **So, Xmas at Back 40 is a maybe.** The sooner we know the

level of interest the sooner we can move forward and plan accordingly.

mitvgto@aol.com Appreciate your understanding and flexibility!

Will close here, until our Wednesday 4/19 Zoom meeting; see ya in the fast lane

Contact Jim Lent @ jimlent@comcast.net to let him know if you plan to meet there.

BENICIA CAR SHOW MEETING INFORMATION

Sunday – APRIL 23RD, 2023

Howdy Folks, Its time for the Benicia Car Show again! This is your chance to get new bugs on your windshield coming out to a fun little show in Benicia! The show is held on the waterfront of downtown Benicia with our parking spot on a peninsula surrounded by the bay. Due to this location it can be brisk so you might want to dress in layers because the afternoons are usually in the 70's and the mornings are a little less..

THERE WILL BE NO BBQ THIS YEAR!

We can make it a non event, and I will still show up and lead anyone who wants from Starbucks at 7:15 am. We can park in a clump, or wing it. I am also not in the mood to get up earlier for a parking place. They will either accommodate us or not. We can make it a voluntary potluck, and just hang out. There is food around people can buy if they choose. I will bring a bunch of deli sandwiches just to make sure no one starves. Nice and casual, like the other club events. Continue to leave my name and number for info, and we'll go from there.

Does that sound reasonable? Let me know- Thanks, Stuart

Nor Cal Chevelles will be joining us at Benicia again this year.

Please come out and support the Benicia High School band and spend a nice spring day with your fellow goat members. If you are a last minute sort of person we have always found room to get you in to the show.

We are Meeting on **SUNDAY** the 23RD at **6:45 am** at Starbucks and will leave for the show at **7:15** in an impressive display of Pontiac horsepower.

To get to the Starbucks in Benicia from the south on highway 680 you should follow 680 north to highway 780 at the Benicia bridge. Take 780 north to the Southampton exit. At the bottom of the exit turn right and take the next left into the shopping center. find a place to park, Starbucks is on the left.

From the south or the north on highway 80 take highway 780 south to the Southampton exit. At the bottom of the exit take a left turn under the freeway. Take a left turn at the 2nd stop sign into the shopping center. Find a place to park, Starbucks is on the left.

If you have any questions or need directions call me at home 707-745-2918 or on my cell phone at 707-486-3660.

s2cole@hotmail.com

The day of the show try my cell phone, it will be on.

Thanks and looking forward to seeing you,

Stuart Cole

CLUB LOGO ITEMS

In 2005 we opened our online club store on our website. The store carries a full line of apparel, house wares, and gifts with the Golden Gate Goats logo, Outlaw GTO Association of Western America logo, and images of our club cars! Go check it out at:
www.cafepress.com/gggoats

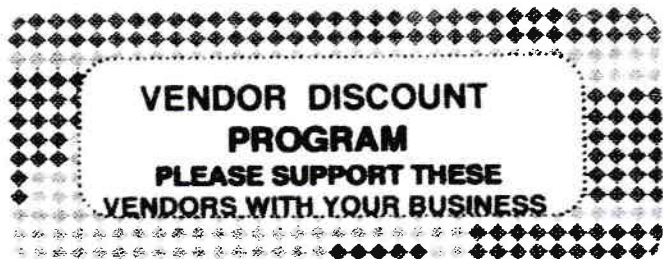

Our goal is to preserve and keep the legend of the Pontiac GTO alive. We plan to do this by having fun as we learn more about our GTOs through various club activities: Cruises, Parades, Car Shows, Picnics & MORE!

2018 - Club Meetings

Club Meetings are scheduled for the following months:
February, March, April, May
July, October, November
Check the newsletter or website for updated dates, times & locations
